About Us

There has been a YMCA in Crewe since 1909, when an invitation went out in Crewe Chronicle inviting young men to meet some “jolly good fellows”!

Today the YMCA welcomes people of all ages, all genders, all faiths, all races, all back grounds.

We have an asset-based, advantaged-thinking approach to all our work; we focus on strengths and view diversity of thought, culture, experience and traits as positive assets.

We have a number of different services in Crewe.

- We believe everyone should have a **safe place to stay**. Our aim is to provide a wide range of housing options to those who have experienced homelessness, designed to suit their individual needs. We have a variety of accommodation at our projects on Gresty Road and Valley Brook, as well as some flats and houses in the local community.
- We work with **young people** who arrive in the UK unaccompanied and seeking asylum; this team also works with young people who are leaving the care system.
- We have a growing number of services in Crewe for **children and families**, including After School Clubs, Drop Ins for parents and carers and holiday villages.
- We offer **mental health first aid** training to staff and volunteers.
- Our services are supported by our **three social enterprises**, the GLO Café, GLO Hub and GLO Maintenance.

We believe that everyone has unique potential and skills to be explored and developed.
We will embed this belief in our work with service users, staff and volunteers.
